

GETTING PATIENTS STARTED ON INBRIJA[™]

1 TO PRESCRIBE INBRIJA, COMPLETE A PRESCRIPTION REQUEST FORM (PRF)*

- Fill in the information and sign and date the form
- Fax completed form to Prescription Support Services
1-855-886-2484
- Or you can submit an INBRIJA prescription through the iAssist
e-prescribing portal www.assistrx.com/iAssist

2 PRESCRIPTION SUPPORT SERVICES CONDUCTS BENEFITS INVESTIGATION

- Specialists work directly with patient's health insurance plan to
determine coverage and assist with reimbursement
- If your patient's health plan does not cover INBRIJA, a specialist
will explore other options

3 PRESCRIPTION SUPPORT SERVICES CALLS PATIENT DIRECTLY

- After determining coverage, a specialist will call your patient to:
 - › Review coverage and financial assistance options (if eligible)
 - › Ensure your patient knows how to use INBRIJA
 - › Let your patient know which specialty pharmacy* will handle
their prescription

4 SPECIALTY PHARMACY* DELIVERY OF INBRIJA

- Specialty pharmacy arranges delivery of INBRIJA
- Specialty pharmacy facilitates refills and re-authorizations

*See the back of this card for more information
about the PRF and specialty pharmacies.

THE PRESCRIPTION REQUEST FORM (PRF)

- A PRF is required to prescribe INBRIJA
- Prescriber signs and dates the PRF
- Patient signs and dates the PRF if they would like to access manufacturer sponsored programs

Fax completed form to Prescription Support Services at: 1-855-886-2484. Or you can submit an INBRIJA prescription through the iAssist e-prescribing portal www.assistrx.com/iAssist

For general information or for status of the PRF, contact Prescription Support Services at: 1-888-887-3447

THE SPECIALTY PHARMACY

- INBRIJA is available through a defined network of specialty pharmacies that deliver INBRIJA directly to your patients
- There is no need for your patients to go to a retail pharmacy to pick up their prescriptions
- Specialty pharmacies provide personalized services and ensure your patients get their INBRIJA in a timely manner
