You may receive a phone call from an INBRIJA patient support specialist if additional information is required to initiate prior authorization.

\*Standard text and data rates may apply

# Your INBRIJA<sup>®</sup> Prescription

## What to expect next:

**Inbrija**<sup>®</sup>  
(levodopa inhalation powder)  
42 mg capsules

You will be receiving a text\* from **Prescription Support Services** within 1 - 2 hours of your HCP submitting your prescription.

- The text will come from an (844) number.
- Follow the link provided in the text to coordinate next steps and complete your enrollment.
- To protect your privacy, you will be asked to verify your **date of birth** and **last name** to proceed with enrollment.
- If we are unable to reach you via text, we will call you to complete your enrollment.

## Once your enrollment is complete, Prescription Support Services will:

Review your insurance coverage

Provide financial assistance options  
(if eligible)

Coordinate home delivery

Schedule a nurse educator call

\*Message and data rates may apply
